Is yawning And the day is young in morning Morgantown

Morning, any town you name Morning's just the same

We'll find a table in the shade and sip our tea and lemonade
D **A** **Amaj7** **Bm7** **A**
And watch the morning on parade In morning, Morgantown

Ladies in their rainbow fashions colored stop and go lights flashin'

A window full of colored rings in morning Morgantown

All the mornings still to live in morning, Morgantown
