INTRO: A G D D - A G D A - A G D D - A G D A

VERSE 1:

A D
Here's a little song you can all join in with

A G A
It's very simple and I hope it's new

D
Make your own words up if you want to

A G A A G D D - A G D A
Any old words that you think will do

D
Yellow, blue, what'll I do?

A G A
Maybe I'll just sit here thinking

D
Black, white, stop the fight

A G A
Does one of these colours ever bother you?

A G D D - A G D A - A G D D - A G D A

Verse:

A D
Here's a little dance you can all join in with

A G A
It's very simple and I hope it's new

D
Make your own steps up if you want to

A G A A G D D - A G D A
Any old steps that you think will do

D
Left, right, don't get uptight

A G A
Keep in line and you'll be all right

D
Clap hands, move around

A G A
Make sure no one puts you down

A G D D - A G D A - A G D D - A G D A

Verse:

A D
Here's a little world you can all join in with

A G A
It's very simple and I hope it's new

D
Make your own life up if you want to

A G A A G D D - A G D A
Any old life that you think will do

D
Love you, it's nothing new

A G A
There's someone much worse off than you are

D
Help me set them free

A G A
Just be what you want to be

A G D D - A G D A - A G D D - A G D A
