

## Teach Your Children (Crosby, Stills, Nash & Young)

**Intro** C F C G

C F C G  
You who are on the road Must have a code that you can live by  
C F C G Gsus4 G  
And so become yourself Because the past is just a good-bye.

C F C G Gsus4 G  
Teach your children well, Their father's hell did slowly go by,  
C F C G Gsus4 G  
And feed them on your dreams The one they pick's the one you'll know by.

### REFRAIN

C F C  
Don't you ever ask them why, if they told you, you will cry,  
Am F G C F C G  
So just look at them and sigh and know they love you.

C F C G Gsus4 G  
And you, of tender years, Can't know the fears that your elders grew by,  
C F C G Gsus4 G  
So please help them with your youth, They seek the truth before they can die.

C F C G Gsus4 G  
Teach your parents well, Their children's hell will slowly go by,  
C F C G Gsus4 G  
And feed them on your dreams The one they pick's the one you'll know by.

### REFRAIN
