

# Doctor My Eyes (Jackson Browne)

CAPO II

**INTRO:** G Bm Em C G (x2)

G

Doctor, my eyes have seen the years

And the slow parade of fears without crying      Now I want to understand

G

I have done all that I could,

To see the evil and the good      without hiding.      You must help me if you can

Doctor, my eyes, tell me what is wrong

Was I unwise to leave them open for so long

G

'Cause I have wandered through this world

And as each moment has unfurled, I've been waiting      To awaken from these dreams

G

People go just where there will,

I never noticed them until      I got this feeling      That it's later than it seems

Doctor, my eyes, tell me what you see

I hear their cries, just say if it's too late for me

**SOLO: VERSE CHORDS**

Doctor, my eyes cannot see the sky

Is this the price for having learned how not to cry

**OUTRO:** G Bm Em C G
