

# You Can Close Your Eyes (James Taylor)

INTRO: D G D A7sus4 A7 (2x)

D G D A7sus4 A7  
Well, the sun is surely sinking down  
Em Bm A G  
But the moon is slowly ris-ing  
D G D A7sus4 A7  
So this old world must still be spinning 'round  
Em Bm A D G D A D  
And I still love you

## CHORUS

G Em7 A7sus4 A7  
So close your eyes  
C G Bm  
You can close your eyes, it's all right  
Em A7sus4 A7  
I don't know no love songs  
C G Bm  
And I can't sing the blues anymore  
Em D/F# G  
But I can sing this song  
Em D/F# G A Bm (END) A7sus4 A7  
And you can sing this song when I'm gone

D G D A7sus4 A7  
It won't be long before another day  
Em Bm A G  
We're gonna have a good time  
D G D A7sus4 A7  
And no one's gonna take that time away  
Em Bm A D G D A D  
You can stay as long as you like

CHORUS [end on Bm]
