Get Together (Youngbloods)

D C
Love is but a song we sing Fear's the way we die
D C
You can make the mountains ring Or make the angels cry
D C
Though the bird is on the wing And you may not know why

CHORUS G A
Come on people now Smile on your brother
D G A D
Everybody get together Try to love one another Right now

D C
Some may come and some may go We shall surely pass
D C
When the one that left us here Returns for us at last
D C
We are but a moment's sunlight Fading in the grass

CHORUS

D C
If you hear the song I sing You will understand (listen!)
D C
You hold the key to love and fear All in your trembling hand
D C
Just one key unlocks them both It's there at your command

CHORUS x 2
