

# Mariah

C Am C Am  
 way out here, they have a name  
 For wind and rain and fire  
 The rain is Tess, the fire's Joel  
 And they call the wind Mariah.

Mariah blows the stars around  
 And sets the clouds a-flying.  
 Mariah makes the mountains sound  
 like folks was up there dying.

Chorus: C Am Em  
 C G G C Am  
 call the wind Mariah.

Before I knew Mariah's way,  
 Or heard her wail or whining  
 I had a guy and he had me,  
 And the sun was always shining.  
 But then one day I left my guy,  
 I left my guy behind ~~me~~ me.  
 And now I'm lost, so yeah damn lost -  
 Not even God can find me.

## Chorus

Now way out here, they have a name  
 For rain and fire only. But when you're  
 lost and all alone, there ain't no  
 name for lonely. Now I'm a lost and  
 lonely girl, without a star to guide me.  
 Mariah, blow my love to me, I need  
 someone to be beside me. Chorus.
