

The Crystal Ship (The Doors)

Am Em
Before you slip into unconsciousness,
D F
I'd like to have another kiss
A D7 E D A
Another flashing chance at bliss,
G A G A
Another kiss, another kiss

Am Em
The days are bright, and filled with pain,
D F
Enclose me in your gentle rain
A D7 E D A
The time you ran was too insane,
G A G A
We'll meet again, we'll meet again

SOLO

Am G
Am G
Am F C G E7

Am Em
Oh, tell me where your freedom lies,
D F
The streets are fields that never die
A D7 E D A
Deliver me from reasons why,
G A G A
You'd rather cry, I'd rather fly

Am Em
The crystal ship is being filled
D F
A thousand girls, a thousand thrills
A D7 E D A
A million ways to spend your time
G A G A
When we get back, I'll drop a line
