

Losing My Religion (R.E.M.)

F Am F Am G

Oh.... life, it's bigger, it's bigger than you, and you are not me,

The lengths that I will go to, the distance in your eyes,

Oh no I've said too much, I've said it all,

That's me in the corner, that's me in the spotlight losing my religion,

Trying to keep a view, and I don't know if I can do it,

Oh no I've said too much, I haven't said enough,

I thought that I heard you laughing, I thought that I heard you sing,

I think I thought I saw you try,

Every whisper, every waking hour I'm choosing my confessions,

Trying to keep an eye on you, like a hurt lost and blind fool,

Oh no I've said too much, I said it all,

Consider this, consider this, It's tough this century, consider this,

It brought me to my knees, what if all these fantasies come flailing around

And now I've said too much, I thought that I heard you laughing,

I thought that I heard you sing, I think I thought I saw you try,

Instrumental That was just a dream, that was just a dream

That's me in the corner, that's me in the spotlight,

Losing my religion trying to keep a view,

And I don't know if I can do it, Oh no I said too much, I haven't said enough

I thought that I heard you laughing, I thought that I heard you sing,

I think I thought I saw you try, that was just a dream, to try, cry, fly, try,

That was just a dream, just a dream, just a dream, dream.
