

Something in the Way She Moves (James Taylor)

Intro: A Gsus2 A Gsus2

A D/E A Em7 D G A
There's something in the way she moves Or looks my way, or calls my name
Em G C D
That seems to leave this troubled world behind
A D/E A Em7 D G A
And if I'm feeling down and blue Or troubled by some foolish game
Em G C D
She always seems to make me change my mind

CHORUS

A Em D A
And I feel fine anytime she's around me now
F#m7 Bm7 D/E Bm7 D/E
She's around me now almost all the time
A Em D A
And if I'm well you can tell that she's been with me now
F#m7 Bm7 D/E Bm7
She's been with me now quite a long, long time
D/E A G D A (end: A G D A G D A)
And I feel fine

BRIDGE

D C^{add9} G/B C^{add9} D G/B C^{add9} D
Every now and then the things I lean on lose their meaning And I find myself careening
C^{add9} Bm Em7 A7
Into places where I should not ought to go
D C^{add9} G/B C^{add9} D G/B D
She has the power to go where no one else can find me Yes, and to silently remind me
G/B D Bm7 E Bm7 E
Of the happiness and good times that I know Well I said, I just got to know that

A D/E A Em7 D G A
It isn't what she's got to say Or how she thinks or where she's been
Em G C D
To me, the words are nice the way they sound
A D/E A Em7 D G A
I like to hear them best that way It doesn't much matter what they mean
Em G C D
For she says them mostly just to calm me down
