She said my breasts, they will always be open You can rest your weary head right on me

And there will always be a space in my parking lot When you need a little coke & sympathy

C **F** **G** **C**
We all need someone we can cream on And if you want to, you can cream on me
C **F** **G** **C**
We all need someone we can dream on And if you want to, you can dream on me

With that jaded, faded, junky nurse Oh what pleasant company

C **F** **G** **C**
We all need someone we can bleed on And if you want to, you can bleed on me
C **F** **G** **C**
We all need someone we can bleed on And if you want to, you can bleed on me **(x3)**
