

As Time Goes By (Herman Hupfeld)

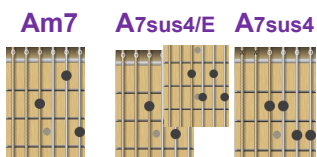

Em7 **A7** **Am7** **A7** **D** **A** **D** **F#m7**
 You must remember this, a kiss is still a kiss, a sigh is just a sigh
E7 **A7sus4/E** **A7** **Em7** **A7** **D** **Ebdim** **A7sus4** **A7**
 The fundamental things apply, as Time goes by
Em7 **A7** **Am7** **A7** **D** **A** **D** **F#m7**
 And when two lovers woo, they still say I love you, on that you can rely
E7 **A7sus4/E** **A7** **Em7** **A7** **D** **G** **D** **D7**
 No matter what the future brings, as Time goes by

Bridge: **G** **B7**
 Moonlight and love songs, never out of date
Em **Abdim**
 Hearts full of passion, jealously, and hate
Bm **G7** **E7**
 Woman needs man, and man must have his mate
A7 **Cdim** **A7sus4** **A7**
 That no one can deny

Em7 **A7** **Am7** **A7** **D** **A** **D** **F#m7**
 It's still the same old story, a fight for love and glory, a case of do or die
E7 **D** **Ebdim** **Em7** **A7** **D** **D7**
 The world will always welcome lovers, as Time goes by
