[Verse in G]

I met my love by the gas works wall
Dreamed a dream by the old canal

I kissed my girl by the factory wall
Dirty old town, dirty old town

[Verse]

Clouds are drifting across the moon
Cats are prowling on their beat

Spring's a girl from the streets at night
Dirty old town, dirty old town

[Verse]

I heard a siren from the docks
Saw a train set the night on fire

I smelled the spring on the smoky wind
Dirty old town, dirty old town

[Verse]

I'm gonna make me a big sharp axe
Shining steel tempered in the fire

I'll chop you down like an old dead tree
Dirty old town, dirty old town

[Verse]

I met my love by the gas works wall
Dreamed a dream by the old canal

I kissed my girl by the factory wall
Dirty old town, dirty old town
Dirty old town, dirty old town
