

San Francisco Days By: Chris Isaak & The Silvertones

C G
I still love you, I still want you.

C Bb D
I still need you, don't hang up and say goodbye.

Verse 1:

G
Walking on the beach last night, hoping things would be all right, my baby
lying on her bed, it's you I saw instead.

C G
Thinking of the one I love, your the one I'm thinking of.

C G
San Francisco days, San Francisco nights.

Verse 2:

G
I meet a girl in Mexico I should of told her then I know, that I still think
of you, we never will be through.

C G
San Francisco days, San Francisco nights.

C G
San Francisco days, San Francisco nights.

C G
I still love you, I still want you.
C Bb D
I still need you, don't hang up and say goodbye.

Solo:G-C-G

Verse 3:

G
Walking down to market street feeling my heart skip a beat, to see someone
who looks like you, I guess that I'm not through.

C G
Dreaming of the one I love, you know what I'm dreaming of.

C G
San Francisco days, San Francisco nights.

G
I'm heading for that golden gate hoping I won't be to late, to find the one
that I still love.

C G
It's you I'm dreaming of, San Francisco nights.

C G
San Francisco days, San Francisco nights.

C G
San Francisco days, San Francisco nights.

G
San Francisco.....Repeats about 8 times or so.
