

I Am A Rock (Simon & Garfunkel)

G C G
A winter's day, in a deep and dark December;
Am D7 C G Am Bm
I am alone, gazing from my window
Am Bm Am C D
To the streets below On a freshly fallen silent shroud of snow.
D7 G C D7 G Em
I am a rock, I am an is- - land.

G C G
I've built walls, a fortress deep and mighty,
Am D7 C G Am Bm
That none may penetrate. I have no need of friendship;
Am Bm Am C D
Friendship causes pain. It's laughter and it's loving I disdain.
D7 G C D7 G Em
I am a rock, I am an is- - land.

G C G
Don't talk of love, well I've heard the words before;
Am D7 C G Am Bm
It's sleeping in my memory. I won't disturb the slumber
Am Bm Am C D
Of feelings that have died. If I never loved I never would have cried.
D7 G C D7 G Em
I am a rock, I am an is- - land

G C G
I have my books, and my poetry to protect me;
Am D7 C G Am Bm
I am shielded in my armor, hiding in my room,
Am Bm Am C D
Safe within my womb. I touch no one and no one touches me.
D7 G C D7 G
I am a rock, I am an is- - land

Am D7 G Am D7 G
And a rock feels no pain; And an island never cries...
