When the rain is blowing in your face And the whole world is on your case

When evening shadows and the stars appear And there is no one there to dry your tears

I could hold you for a million years To make you feel my love.

I know you haven't made your mind up yet But I would never do you wrong.

I've known it from the moment that we met No doubt in my mind where you belong

I'd go hungry, I'd go black and blue I'd go crawling down the avenue.

There's nothing that I wouldn't do To make you feel my love.

The storms are raging on the rollin' sea. And on the highway of regret
