

Expecting To Fly (Buffalo Springfield)

INTRO: D Am G A (x2)

D Am G A
There you stood on the edge of your feather Expecting to fly
D Am G A D
While I laughed, I wondered whether I could wave good-bye
G C
Knowin' that you'd gone

Dm G C F
By the summer it was healing We had said goodbye
Dm G C F
All the years we'd spent with feeling Ended with a cry
Fmaj7 Cmaj7 F
Babe, ended with a cry
Fmaj7 Cmaj7 D
Babe, ended with a cry

D Am G A
I tried so hard to stand As I stumbled and fell to the ground
D Am G A D
So hard to laugh as I fumbled And reached for the love I found
G C
Knowin' it was gone

Dm G C F
If I never lived without you Now you know I'd die
Dm G C F
If I never said I loved you Now you know I'd try
Fmaj7 Cmaj7 F
Babe, now you know I'd try
Fmaj7 Cmaj7 F
Babe, now you know I'd try
