

Twilight Time (Platters)

D **F#7**
Heavenly shades of night are falling, it's twilight time
Bm **D7**
Out of the mist your voice is calling, it's twilight time
G **Gm** **D** **B7**
When purple-colored curtains mark the end of day,
First time thru: **E7** **Gm** **A7**
I hear you, my dear, at twilight time
Ending: **E7** **A7** **D** **G** **D** **(Repeat once)**
I hear you, my dear, at twilight time

D **F#7**
Deepening shadows gather splendor as day is done
Bm **D7**
Fingers of night will soon surrender the setting sun
G **Gm** **D** **B7**
I count the moments, darling, till you're here with me
E7 **A7** **D** **G** **D**
Together at last at twilight time

BRIDGE **F#7**
Here in the afterglow of day,
Bm **G** **Bm** **G** **Bm**
We keep our rendezvous beneath the blue
E7
Here in the sweet and same old way
A7 **G** **F#m** **Fm** **A7**
I fall in love again as I did then

D **F#7**
Deep in the dark our kiss will thrill me like days of old
Bm **D7**
Lighting the spark of love that fills me with dreams untold
G **Gm** **D** **B7**
Each day I pray for evening just to be with you
E7 **A7** **D** **G** **D**
Together at last at twilight time
