

Save Me, San Francisco

Train

[Verse 1]

^D
I used to love the tenderloin
^G
Until I made some tender coin
^A ^D
And then I met some ladies from Marin
^D
We Took the Highway to the one,
^G
Up the coast to catch some sun
^A ^D
That left me with these blisters on my skin
^D
Don't know what I was on,
^G
But I think it grows in Oregon,
^A ^D
So I kept on goin' going on right through
^{Bm}
I drove into Seattle Rain
^A
Fell in love then missed the train
^G
That could have took me right back home to you

[Chorus]

^D ^G ^A ^D
I've been high, I've been low, I've been yes and I've been oh hell no!
^D ^G ^A ^D
I've been rock'n roll and disco, Won't you save me San Francisco?

[Verse 2]

^D
Every day so caffeinated
^G
I wish they were Golden Gated
^A ^D
Fillmore couldn't feel more miles away
^D
So wrap me up return to sender
^G
Let's forget this five year bender
^A ^D
Take me to my city by the bay!
^D
I never knew all that I had,
^G
Now Alcatraz don't sound so bad
^A ^D
At least they have a helluva fine below
^{Bm}
If I could wish upon a star
^A
I would hitch a cable car
^G
To the place that I can always call my own!

[Chorus]

[Bridge]

^{Em7} ^G
To tell you the truth
^D ^A
I miss everything, everything
^{Em7} ^G
It's a wild, wild beautiful world
^D ^A
But there's a wide eyed girl back there
^A
And she means everything, everything,

[Outro]

^D ^G ^A ^D
I've been up, I've been down, I've been so damn lost since you're not
around,
^D ^G ^A ^D
I've been reggae and calypso, Won't you save me San Francisco? x 2
