

How Deep in the Valley (Sarah Harmer)

How deep in the valley must you go
To find what your footsteps already know
The way on is the way out There are signs to follow
There is deep in the valley And I'm bound to go

How deep in the valley must you stay
To know why your footsteps led you that way
The way on may be truly to stand in one place
And let the deep of the valley Fill you with grace

And treat yourself lightly Treat yourself kind
You've got nothing to worry on You will be fine
You will leave this place laughing And somebody will cry
There is deep in the valley Wonder not why

Wonder not why go Wonder not to stay
If it takes me and I follow Or if I lead the way
It can come when it wants to But it might have to wait
There is deep in the valley I don't hesitate

HARMONICA SOLO: A E B E A E B A E

I don't take it too lightly But it don't weigh down too low
There is high on the cliff top And there are deep creeks below
There's a green shade you can't miss Where the spring water flows
There is deep in the valley And I'm bound to go **(repeat last line)**
