

Wasted On The Way (Graham Nash)

INTRO: D Bm G A D A

D Bm
Look around me - I can see my life before me

G A D A
Running rings around the way it used to be

D Bm
I am older now - I have more than what I wanted

G A G D D7
But I wish that I had started long before I did

G A D Bm
And there's so much time to make up everywhere you turn

G A F#m D7
Time we have wasted on the way

G A D Bm
So much water moving underneath the bridge

G A G D A
Let the water come and carry us away

D Bm
Oh, when you were young, did you question all the answers

G A D A
Did you envy all the dancers who had all the nerve

D Bm
Look around you now - you must go for what you wanted

G A G D D7
Look at all my friends who did and got what they deserved

G A D Bm
And there's so much time to make up everywhere you turn

G A F#m D7
Time we have wasted on the way

G A D Bm
So much water moving underneath the bridge

G A D D7
Let the water come and carry us away

G A D Bm
And there's so much love to make up everywhere you turn

G A F#m D7
Love we have wasted on the way

G A D Bm
So much water moving underneath the bridge

G A G D
Let the water come and carry us away

G A G D
Let the water come and carry us away
