

You May Be Right (Billy Joel)

A
Friday night I crashed your party, Saturday I said I'm sorry
A **E7**
Sunday came and trashed me out again
Bm **G**
I was only having fun, Wasn't hurting anyone
E7 **A**
And we all enjoyed the Weekend for a change
A
I've been stranded in the combat zone, I walked through Bedford Stuy alone
A **E7**
Even rode my motorcycle in the rain
Bm **G**
And you told me not to drive, But I made it home alive
E7 **A**
So you said that only proves that I'm insane

CHORUS

E7 **A**
You may be right, I may be crazy
E **D** **F#m** **A**
Oh, but it just may be a lunatic You're looking for
E7 **A**
Turn out the light, Don't try to save me
D **E7** **A**
You may be wrong for all I know, But you may be right **(repeat at end, then OUTRO)**

A
Remember how I found you there Alone in your electric chair
A **E7**
I told you dirty jokes until you smiled
Bm **G**
You were lonely for a man I said "Take me as I am"
E7 **A**
'Cause you might enjoy some madness for a while
A
Now think of all the years you tried to Find someone to satisfy you
A **E7**
I might be just as crazy as you say
Bm **G**
If I'm crazy then it's true That it's all because of you
E7 **A**
And you wouldn't want me any other way

CHORUS

OUTRO **A** **A** **A**
You may be wrong but you may be right **(repeat 3x)**
