

## Chimes Of Freedom (Bob Dylan)

**INTRO:** G C G C G C D G C G

G C G C  
Far between sundown's finish and midnight's broken toll

G C D G C G  
We ducked inside the doorway, thunder crashing

G C G C  
As majestic bells of bolts, struck shadows in the sounds

G C D G C G  
Seeming to be the chimes of freedom flashing

D D7 G  
Flashing for the warriors, whose strength is not to fight

C G Am Am/G D  
Flashing for the refugees on the unarmed road of flight

G C G C  
And for each and every underdog, soldier in the night

G C D G C G  
And we gazed upon the chimes of freedom flashing

G C G C  
In the city's melted furnace, unexpectedly we watched

G C D G C G  
With faces hidden while the walls were tightening

G C G C  
As the echo of the wedding bells before the blowin' rain

G C D G C G  
Dissolved into the bells of the lightning

D D7 G  
Tolling for the rebel, tolling for the rake

C G Am Am/G D  
Tolling for the luckless, the abandoned and forsaked

G C G C  
Tolling for the outcast, burnin' constantly at stake

G C D G C G  
And we gazed upon the chimes of freedom flashing

G C G C  
Starry eyed and laughing, as I recall when we were caught

G C D G C G  
Trapped by no track of hours for they hanged suspended

G C G C  
And we listened one last time, and we watched with one last look

G C D G C G  
Spellbound and swallowed till the tolling ended

D D7 G  
Tolling for the aching ones whose wounds cannot be nursed

C G Am Am/G D  
For the countless confused, accused, misused and worse

G C G C  
And for every hung-up person in the whole wide universe

G C D G C G  
And we gazed upon the chimes of freedom flashing
