

Run To Me (Bee Gees)

A G
If ever you got rain in your heart,
F#m D
Someone has hurt you, and torn you apart,
Bm C#m7 Bm E A
Am I unwise to open up your eyes to love me?

A G
And let it be like they said it would be -
F#m D
Me loving you girl, and you loving me.
Bm C#m7 Bm E A E7
Am I unwise to open up your eyes to love me?

CHORUS

A C#m
Run to me whenever you're lonely
D Dm
Run to me if you need a shoulder
A G F#
Now and then, you need someone older,
Dm E A
So darling, you run to me.

A G
And when you're out in the cold,
F#m D
No one beside you, and no one to hold,
Bm C#m7 Bm E A
Am I unwise to open up your eyes to love me?

A G
And when you've got nothing to lose,
F#m D
Nothing to pay for, nothing to choose,
Bm C#m7 Bm E A E7
Am I unwise to open up your eyes to love me?

CHORUS (twice)
