

Empty Chairs (Don McLean)

G **Am** **Asus2**
 I feel the trembling tingle of a sleepless night
C **D7** **G**
 Creep through my fingers and the moon is bright
G **Am** **Asus2**
 Beams of blue come flickering through my windowpane
C **D7** **G** **Gmaj7** **G6** **Em7/G**
 Like gypsy moths that dance around a candle flame

CHORUS

Em7/G **Am** **Cadd9** **D7** **G** **G/F#** **Em**
 And I wonder if you know That I never understood
Em **Am7**
 That although you said you'd go
C **D7** **G** **[END]** **Gmaj7** **G6** **Am7** **D7**
 Until you did I never thought you would

G **Am** **Asus2**
 Moonlight used to bathe the contours of your face
C **D7** **G**
 While chestnut hair fell all around the pillowcase
G **Am** **Asus2**
 And the fragrance of your flowers rest beneath my head
C **D7** **G** **Gmaj7** **G6** **Em7/G**
 A sympathy bouquet left with the love that's dead **CHORUS**

BRIDGE

G **G/F#** **Em**
 Never thought the words you said were true
Am **Am/G** **D7**
 Never thought you said just what you meant
G **G/F#** **Em**
 Never knew how much I needed you
Am **C** **D7** **G** **Gmaj7** **G6** **Am7** **D7**
 Never thought you'd leave, until you went

G **Am** **Asus2**
 Morning comes and morning goes with no regret
C **D7** **G**
 And evening brings the memories I can't forget
G **Am** **Asus2**
 Empty rooms that echo as I climb the stairs
C **D7** **G** **Gmaj7** **G6** **Em7/G**

And empty clothes that drape and fall on empty chairs

CHORUS
