

The Next Best Western & By Richard Shindell

Richard Shindell - The Next Best Western

INTRO: G C G D G C Am G D G

It's the middle of the night
Near the Indiana line
I'm pulling in a Christian station
The signal's crystal clear
But I cannot really hear
What he says about the Revelation
I am wretched, I am tired
But the preacher is on fire
And I wish I could believe

CHORUS:

Whoever watches over all these truckers
Show a little mercy for a weary sinner
And deliver me, Lord deliver me
Deliver me to the next Best Western

Did he who made the lamb

Am
 Put the tremble in the hand
 D G
 That reaches out to take my quarter
 C
 I look him in the eye
 Am
 There isn't any time
 D Am
 Just time enough to pass the tender
 Bm
 The highway takes its toll
 C
 The green light flashes go
 GD
 And it's 'Welcome To Ohio'

CHORUS:

Am C C-D
 Whoever watches over all these truckers
 Am C C-Am
 Show a little mercy for a weary sinner

 And deliver me, Lord deliver me
