

# There is a Time

# The Dillards

Am

There is a time for love and laughter,  
The days will pass like summer storms;  
The winter wind will follow after,  
But there is love and love is warm.

[Verse 1]

Am

There is a time for us to wander,  
When time is young and so are we;  
The woods are greener over yonder;  
The path is new, the world is free.

[Chorus]

Am

There is a time when leaves are fallin',  
The woods are gray, the paths are old;  
The snow will come when geese are callin',  
You need a fire against the cold.

[Verse 2]

Am

There is a time for us to wander,  
When time is young and so are we;  
The woods are greener over yonder;  
The path is new, the world is free.

[Chorus]

Am

So do your roaming in the springtime,  
And you'll find your love in the summer sun;  
The frost will come and bring the harvest,  
And you can sleep when the day is done.

[Verse 3]

Am

There is a time for us to wander,  
When time is young and so are we;  
The woods are greener over yonder;  
The path is new, the world is free.  
The path is new, the world is free.

[Chorus]
