Many years ago he looked out through a glassless window  
All that he could see was Babylon  
Beautiful green fields and dreams and learn to measure the stars  
But there was a worry in his heart

He said, How could it come to this? I'm really worried about living  
Am7 D Am Am7 D C  
How could it come to this? Yeah I really want to know about this

Then there came a day, it moved out 'cross the Mediterranean

And with their silver beards they laughed at the unknown of the universe

But they said, "How could it come to this? We're really worried about living  
Am7 D Am Am7 D C  
How could it come to this? Yeah, we really want to know about this"

 Is it like today? Oh Oh Oh

 Then there followed days of kings, empires and revolution
