

If I Ever Was A Child

Key of D

This song shouldn't be too hard. :) I have slowly been getting addicted to it.

To be honest, The verses sound much more like a chorus, and vice versa. But I'm pretty sure everything is labelled correctly.

Key is D# Mixolydian, sometimes going to D# Major. Capo on 1. All chords relative to capo, transcribe the whole tab one fret up for the true chords.
