

Across The Great Divide  
Cappo on 2nd  
Key: G

I've been walkin' in my sleep  
Countin' troubles 'stead of countin' sheep  
Where the years went I can't say  
I just turned around and they've gone away

I've been siftin' through the layers  
Of dusty books and faded papers  
They tell a story I used to know  
And it was one that happened so long ago

It's gone away in yesterday  
Now I find myself on the moutainside  
Where the rivers change direction  
Across the Great Divide

Now, I hear the owl a-callin'  
Softly as the night was fallin'  
With a question and I replied  
But he's gone across the borderline

He's gone away in yesterday  
Now I find myself on the moutainside  
Where the rivers change direction  
Across the Great Divide

The finest hour that I have seen  
Is the one that comes between  
The edge of night and the break of day  
It's when the darkness rolls away

It's gone away in yesterday  
Now I find myself on the moutainside

G                  Em  
Where the rivers change direction

Across the Great Divide

          G  
It's gone away in yesterday  
      Em                  C  
Now I find myself on the mountainside  
          G                  Em  
Where the rivers change direction  
  C      D          G
