As I went walking I saw a sign there, And the sign it said "No Trespassing."

But on the other side, it didn't say no-----thing. That side was made for you and me.

In the shadow of the steeple I saw my people, By the relief office I seen my people

As they stood there hungry, I stood there as-----king Is this land made for you and me?

Nobody living can ever stop me, As I go walking that freedom highway

Nobody living can make me turn back This land was made for you and me.
