

# Silver Threads and Golden Needles (Linda Ronstadt)

harmonica

**INTRO:** G N/C

I don't want your lonely mansion with a TV in every room  
All I want's the love you promised beneath the haloed moon  
But you think I should be happy with your money and your name  
And hide myself in sorrow while you play your cheating game

**CHORUS**

Silver threads and golden needles cannot mend this heart of mine  
And I dare not drown my sorrows in the warm glow of your wine  
You can't buy my love with money cause I never was that kind  
Silver threads and golden needles cannot mend this heart of mine

**SOLO:** Verse chords

**CHORUS**

I grew up in in faded gingham and my love's a sacred thing  
You grew up in silk and satin where love's a careless fling  
I know now you never loved me and I know I was a fool  
To think your pride would let you live by the golden rule

**CHORUS**

**Outro:** Silver threads and golden needles cannot m-eeeeeeend this heart of mine
