

Leaves That Are Green (Simon & Garfunkel)

INTRO: G Em D D

G Am D G
I was twenty-one years when I wrote this song
G C F G
I'm twenty-two now, but I won't be for long
C D
Time hurries on

CHORUS

G F C D G
And the leaves that are green turn to brown
Em
And they wither with the wind
Am D
And they crumble in your hand.

G Am D G
Once my heart was filled with the love of a girl
G C F G
I held her close, but she faded in the night
C D
Like a poem I meant to write

CHORUS

G Am D G
I threw a pebble in a brook
G C F G
And watched the ripples run a-----way
C D
And they never made a sound

CHORUS

G Am D G
Hello, hello, hello, hello
G Bm C G
Goodbye, goodbye, goodbye, goodbye
C D
That's all there is
G F C D G
And the leaves that are green turn to brown. **(repeat last line)**
