

Ripple (Grateful Dead)

D G
If my words did glow with the gold of sunshine
G D
And my tunes were played on the harp unstrung
D G
Would you hear my voice come through the music
G D A G D
Would you hold it near as it were your own?

D G
It's a hand-me-down, the thoughts are broken
G D
Perhaps they're better left unsung
D G
I don't know, don't really care
D A G D
Let there be songs to fill the air

CHORUS Em A D G E A
Ripple in still water When there is no pebble tossed Nor wind to blow

D G
Reach out your hand if your cup be empty
G D
If your cup is full may it be again
D G
Let it be known there is a fountain
D A G D
That was not made by the hands of men

D G
There is a road, no simple highway
G D
Between the dawn and the dark of night
D G
And if you go no one may follow
D A G D
That path is for your steps alone

CHORUS

D G
You who choose to lead must follow
G D
But if you fall you fall alone
D G
If you should stand then who's to guide you?
D A G D
If I knew the way I would take you home

D G G D
La da da da, Lah da-ah da da, da La da da, la da, da da da-ah, da da
