Magical lady on tropical island, I still can believe that you're real

Your beauty entranced me, perchance it's the passion I feel
G C G D/F# Em7/F#
Sitting down on the dock, we delight in the sunset, the colors reflect off the sea
C D/F# D7 G G/C G
With our hands entwined there, it's just where I've wanted to be

CHORUS: Am7 Bm7 Cmaj7 Bm7
Let me lay down in the warm glow of your sunny eyes
Dm7 Em7 Cmaj7 Fmaj7
May the breezes of your kisses bring me azure skies
Am7 Bm7 Cmaj7 Bm7
Let me anchor in the harbor which your arms provide
Dm7 Em7 Am7 D
And I'll love you in the waters of your gentle tide

G C G D/F# Em7/F#
Your smile is the daylight on heavenly beaches, where palm trees protect us from harm
C D/F# D7 G G/C D
I am so enchanted... I can't seem to shake off your charm
G C G D/F# Em7/F#
Dancing slowly to songs drifting over the water We're safe in a land far from home
C D/F# D7 G G/C G
And drinking of laughter, our rapture has flowered on its own **CHORUS**

G C G D/F# Em7/F#
Our lips spoke farewell in the shroud of a rainstorm, I walked through the dark from your side
C D/F# D7 G G/C D
Your magical spell didn't warn too well how I'd cry
G C G D/F# Em7/F#
But it's often back home that my dreams reach to hold you, your memory lingers my friend
C D/F# D7 G G/C G
And sailing the miles, I'll discover your shores once again **CHORUS**
