

Let Me Be There (Olivia Newton John)

INTRO: D A7 D GD

Wherever you go wherever you may wander in your life
Surely you know I'll always wanna be there
Holding your hand and standing by to catch you when you fall
Seeing you through - in everything you do

CHORUS

Let me be there in your morning let me be there in your night
Let me change whatever's wrong and make it right (make it right)
Let me take you through that wonderland that only two can share
All I ask you..... is let me be there (oh let me be there)

Watching you grow and going through the changes in your life
That's how I know I'll always wanna be there
Whenever you feel you need a friend to lean on, here I am
Whenever you call... you know I'll be there

CHORUS

Let me be there in your morning let me be there in your night
Let me change whatever's wrong and make it right (make it right)
Let me take you through that wonderland that only two can share
All I ask you..... is let me be there
All I ask you..... is let me be there
