I must've dreamed a thousand dreams Been haunted by a million screams  
C D Em  
But I can hear the marching feet They're moving into the street.  
D Em G A  
Now did you read the news today They say the dangers gone away

But I can see the fires still alight They're burning into the night.

Can't you see This is a land of confusion.

I won't be coming home tonight My generation will put it right  
We're not just making promises That we know, we'll never keep.

There's too many men Too many people Making too many problems  
And not much love to go round  
Can't you see This is a land of confusion.

Now this is the world we live in (aaaah) And these are the hands we're given (ooooh)  
Use them and let's start trying (aaaah) To make it a place worth fighting for.  
This is the world we live in (aaaah) And these are the names we're given (ooooh)

Just where our lives are going to
