

## Across The Great Divide (Kate Wolf)

**G** **C** **G** **G/F#** **Em** **C**  
I've been walking in my sleep Counting troubles instead of counting sheep

**G** **G/F#** **Em** **C** **D** **G**  
Where the years went, I can't say I just turned around and they've gone away

**G** **C** **G** **G/F#** **Em** **C**  
And I've been sifting through the layers Of dusty books and faded papers

**G** **G/F#** **Em** **C** **D** **G**  
They tell a story I used to know And it was one that happened so long ago

### CHORUS

**G** **C** **G** **G/F#** **Em** **C**  
It's gone away in yesterday And I find myself on the mountainside

**G** **G/F#** **Em** **C** **D** **G**  
Where the rivers change direction Across the great divide

**G** **C** **G** **G/F#** **Em** **C**  
Now I heard the owl calling Softly as the night was falling

**G** **G/F#** **Em** **C** **D** **G**  
With a question, and I replied But he's gone across the borderline

### CHORUS

**G** **C** **G** **G/F#** **Em** **C**  
The finest hour that I have seen Is the one that comes between

**G** **G/F#** **Em** **C** **D** **G**  
The edge of night and the break of day It's when the darkness rolls away

### CHORUS (2x)
