[Intro]

| G | G C |  
| G | D | G |

[Verse]

          D D7                  G  
He was a man and a friend always  
          D                          G  
He stuck with me through the hard old days  
          G          C          G  
He never cared if I had no dough  
          D D7                  G  
We rambled round in the rain and snow

[Chorus]

          G          C          G  
And here's to you, my ramblin' boy  
          D D7                  G  
May all your ramblin' bring you joy  
          G          C          G  
Here's to you, my ramblin' boy  
          D D7                  | G | D | G |  
May all your ramblin bring you joy

[Verse]

          D D7                  G  
In Tulsa town, we chanced to stray  
          D                          G  
we thought we'd try to work one day  
          G          C          G  
The boss said he had room for one  
          D D7                  G  
says my old pal, we'd rather bum

[Chorus]

          G          C          G  
And here's to you, my ramblin' boy  
          D  D7                  G  
May all your ramblin' bring you joy  
          G          C          G  
Here's to you, my ramblin' boy  
          D  D7                  |  G  |  D  |  G  |  
May all your ramblin bring you joy

[Verse]

          D  D7                  G  
Late one night in a hobo camp  
          D                          G  
the weather it was cold and damp  
          G                  C          G  
He got the chills and he got 'em bad  
          D  D7                  G  
They took the only friend I had

[Chorus]

          G          C          G  
And here's to you, my ramblin' boy  
          D  D7                  G  
May all your ramblin' bring you joy  
          G          C          G  
Here's to you, my ramblin' boy  
          D  D7                  |  G  |  D  |  G  |  
May all your ramblin bring you joy

[Verse]

          D  D7                  G  
He left me here, to ramble on  
          D                          G  
My ramblin pal is dead and gone  
          G                  C          G  
If when we die, we go somewhere  
          D  D7                  G  
I bet you a dollar, he's ramblin there.

[Chorus]

          G          C          G  
And here's to you, my ramblin' boy  
          D  D7                  G  
May all your ramblin' bring you joy  
          G          C          G  
Here's to you, my ramblin' boy  
          D  D7                  |  G  |  D  |  G  |  
May all your ramblin bring you joy
