

Sin City

Gram Parsons/Chris Hillman

 D A
This old town is filled with sin

It will swallow you in
 D A A7
If you've got some money to burn

Take it home right away
 D7 G
You've got three years to pay
 D A7 D D7
But Satan is waiting his turn
 G A7 D D7
This old earthquake's gonna leave me in the poor house
 G D A
It seems like this whole town's insane
 G A7 D D7 G
On the thirty-first floor a gold plated door
 D A7 D A
Won't keep out the Lord's burning rain
 D A
The scientists say
 D7 G
It will all wash away
 D A A7
But we don't believe any more
 D A
Cause we've got our recruits
 D7 G
And our green mohair suits

Won't keep out the Lord's burning rain

G A7 D D7 G

On the thirty-first floor a gold plated door

D A7 D A

Won't keep out the Lord's burning rain
