On Broadway (Drifters)

INTRO: G F [4x]

```
 G              F    G        F        G      F      G      F
They say the neon lights are bright on Broadway (on Broadway)
 G              F        G     F    G F        G     F
They say there's always magic in the air      (on Broadway)
 C            Bb         C        Bb
But when you're walkin' down the street
 C           Bb      C         D
And you ain't had enough to eat
G          F        G         F          G  F          G     F          G#  F#   G#  F#
The glitter rubs right off and you're nowhere      (on Broadway)

 G#            F#       G#        F#         G#     F#        G#    F#
They say the girls are something else on Broadway       (on Broadway)
 G#            F#     G#        F#       G#   F#        G#   F#
But looking at them just gives me the blues        (on Broadway)
  C#            B        C#          B
'Cause how you gonna make some time
 C#       B  C#      D#
When all you got is one thin dime
 G#       F#      G#  F#      G#  F#   G# F#                              A  G   A  G
And one thin dime won't even shine your shoes     (on Broadway)

A                 G        A      G         A    G       A      G
Ha!  They say that I won't last too long on Broadway     (on Broadway)
A          G           A       G             A  G          A    G
I'll catch a Greyhound bus for home, they all say        (on Broadway)
 D             C             D         C
Oh!  They're dead wrong, I know they are
  D          C           D       E
'Cause I can play this here guitar
A          G       A     G        A     G         A      G
And I won't quit 'til I'm a star  on Broadway     (on Broadway)
    A               G          A    G
I'm gonna make it, yeah (on Broadway)
I'll be a big, big, big man (on Broadway)
I'll have my name in lights (on Broadway)
Everybody, everybody's gonna know me, yes (on Broadway)
All up and down Broadway (on Broadway)  [fade]
