[Intro]
C F C F

[Verse 1]
C
Well, the street lights shine
F C G
Down on Blessing Avenue
C
Lovers they walk by
F G
Holdin' hands two by two
C
A breeze crosses the porch
F C G
Bicycle spokes spin 'round
C
Jacket's on, I'm out the door
F G
Tonight I'm gonna burn this town down

[Chorus]
F C
And the girls in their summer clothes
F C
In the cool of the evening light
F C
The girls in their summer clothes
G
Pass me by

[Verse 2]
```
                  C
Kid's rubber ball smacks
        F                       C     G
Off the gutter 'neath the lamp light
               C
Big bank clock chimes
           F                  G
Off go the sleepy front porch lights
                       C
Downtown the store's alive
       F                C    G
As the evening's underway
                     C
Things been a little tight
      F                                G
But I know they're gonna turn my way
```

[Chorus]
```
        F                       C
And the girls in their summer clothes
        F                     C
In the cool of the evening light
    F                       C
The girls in their summer clothes
        G
Pass me by
```

[Verse 3]
```
          Bb
Frankie's Diner's
                   F
Over on the edge of town
                  Am
Neon sign spinnin' round
        G                       C     F
Like a cross over the lost and found
             Bb
Fluorescent lights
                     F
Flicker above Bob's Grill
                                    Am
Shaniqua brings a coffee and asks "fill?"
            G                           C   F    G
And says "penny for your thoughts now my poor Bill"
```

[Bridge]
```
           C
She went away
    F             C      G
She cut me like a knife
                C
Had a beautiful thing
      F                   G
Maybe you just saved my life
```

```
   E7/G#  Am
In just a glance
F                  C       G
Down here on Magic Street
                 Am
Love's a fool's dance
        F                            C  F   G
I ain't got much sense but I still got my feet

[Chorus]
        F                        C
And the girls in their summer clothes
        F                      C
In the cool of the evening light
    F                        C
The girls in their summer clothes
        G
Pass me by
        F                        C
And the girls in their summer clothes
        F                     G      E7/G#
In the cool of the evening light
    Am                       F
The girls in their summer clothes
        G
Pass me by

[Outro]
         C      F              C     G
La la la la, la la la la la la la
   E7/G# Am     F              G
La la la la, la la la la la la la
         C      F              C     G
La la la la, la la la la la la la
   E7/G# Am     F              G
La la la la, la la la la la la la
```
