Whispering Pines Lyrics:

Cadd9 cmaj7 em7 am
If you find me in a gloom, or catch me in a dream
Am/g f bb g7
Inside my lonely room, there is no in between
Cadd9 em7
Whispering pines, rising of the tide
Am am/g
If only one star shines
F bb g7-9/d bb7/d
That's just enough to get inside
Eb eb7
I will wait until it all goes 'round
Abmaj7 cm/g
With you in sight, the lost are found
Cmaj7 em7
Foghorn through the night, calling out to sea
Am am/g f bb g7
Protect my only light, 'cause she once belonged to me
Cmaj7 em7
Let the waves rush in, let the seagulls cry
Am am/g f bb g7-9/d bb7/d
For if I live again, these hopes will never die
Eb eb7
I can feel you standing there
Abmaj7 cm/g
But I don't see you anywhere

Cmaj7 em eb ab6 gsus4 g7

Cmaj7 em7
Standing by the well, wishing for the rains
Am am/g f bb g7-9
Reaching for the clouds, for nothing else remains
C em7
Drifting in a daze, when evening will be done
Am
Try looking through a haze
Am/g f bb g7-9/d bb7/d
At an empty house, in the cold, cold sun
Eb eb7
I will wait until it all goes round
Abmaj7 cm/g cmaj7 cadd9
With you in sight, the lost are found
