

SO SAD

C F Dm
We used to have good times together
C F Dm
But now I feel them slip away
C F C Am
It makes me cry To see love die
C F G7 C G7
So sad to watch good love go bad

C F Dm G7
Remember how you used to feel dear
C F Dm G7
You said nothing could change your mind
C F C Am
It breaks my heart To see us part
C F G7 C C7
So sad to watch good love go bad

F Dm G7 C C7
Is it any wonder that I feel so blue
F Dm D7 G7 F
when I know for certain that I'm losing you oo?

You said nothing could change your mind

It breaks my heart To see us part
