Hearts on fire

D G

My love for you brought only misery

G7 C

Hearts on fire

D G

Put out the flames and set this cold heart free

D7

One short year our love burned

G

Until at last I guess you learned

D7 A7

The art of being untrue and then goodbye

D7 G

What could I do except to cry and moan

C G D7

Lord, what have I done?

C

D7

Once we were as sweet and warm as the golden morning sun

D7

Friends say it's just a game

G

And that no one is to blame

D7

Go out forget her lies

A7

D7

But she'll be there and sparks will fly

G

My love has turned to hatred

C G D7

Sleep escapes me still

C

God, please take this heart of mine

D

Cause if you don't the devil will
