

Intro: | G | C | D | D | 2x

1. Don't want to be free of hope And I'm at the end of my rope
G C D D G C D D
It's so tough just to be alive When I feel like the living dead

Chorus: I'm giving it up so plain, I'm living my life in vain, and where am I going to?
C G D C C
I got to really try, try so hard to get by, and where am I going to?

Interlude: | G | C | D | D | 2x with violin

2. I don't know where is up or down And there ain't any love left around
G C D D G C D D
Every body wearin' a frown Waiting for Santa to come to town

Chorus: You're giving it up so plain, you're living your lives in vain, and where are you going to?
C G D C C
You've got to really try, try so hard to get by, and where are you going to?

Interlude: | G | C | D | D | 2x with violin

3. Flip on your TV And try to make sense out of that
G C D D G C D D
If we were all in the movies Maybe we wouldn't be so bored

Chorus: We're giving it up so plain, we're living our lives in vain, and where are we going to?
C G D C C
You gotta really try, try so hard to get by, and where are you going to?

Interlude: | G | C | D | D |

Outro: Goodbye
G C D D
G C D*
Goodbye
