

**Day Breaks** - Norah Jones // 2016 // key: E

---

Intro: | E | C/E | E | C/E |  
| E | C/E | E | C/E |

E C/E E C/E  
1. Day breaks in your head and you're finally alone  
E C- A F#- C E C/E  
I'll find a way to make it through but it keeps rai- ning in your heart

E C/E E C/E  
2. Time follows you around ticking slowly at your nerves  
E C- A F#- C E  
It's amazing that we made it through cause it keeps rai- ning in your heart  
F#- C E C/E E C/E  
Rai- ning in your heart

C#m- C E C#m- C B- F#  
Bridge: Maybe you should go away if the love we had is meant to stay  
A<sup>6</sup>- G<sup>6</sup> E  
Find a place to call your own  
C#m- C B- G C- A  
No need to roam around the rooms that once made up a home

E C/E E C/E  
3. Day breaks in my head and I find myself alone  
E C- A  
Hope you find a way to make it through  
F#- C E  
Cause it keeps rai- ning in my heart  
F#- C E F#- C E C/E  
Rai- ning your heart, rai- ning in your heart

Outro: [optional solo over this, repeat until fade out] | E | C/E | E | C/E |
