

Funny How Time Slips Away - Willie Nelson // 1961 // key: D

Intro: | D | D | D | D |

1. Well hello there, my it's been a long long time
How'm I doing? Oh, I guess that I'm doing fine
It's been so long now, but it seems now... that it was only yesterday
Gee ain't it funny how time slips away?

2. How's your new love, I hope that he's doing fine
I heard you told him, that you'd love him till the end of time
Now that's the same thing that you told me, seems like just the other day
Gee ain't it funny how time slips away?

3. I'm gonna go now, I guess I'll see you around
Don't know when though, never know when I'll be back in town
But remember what I tell ya, in time you're gonna pay
And it's surprisin' how time slips away
