

**Anthems For A Seventeen Year-Old Girl by Broken
Social Scene (2003)**

(/ = 1 measure)

[Verse 1] **x2**

A
Used to be the one of the rotten ones

E

And I liked you for that

A
Used to be the one of the rotten ones

E

And I liked you for that

A
Used to be the one of the rotten ones

E

And I liked you for that

A
Now you're all gone, got your makeup on

E

And you're not coming back

[Bridge]

A
Bleachin' your teeth, smiling flash

B
Talking trash, under your breath

A
Bleachin' your teeth, smiling flash

B
Talking trash, under your breath

A
Bleachin' your teeth, smiling flash

B

Talking trash, under your breath

A
Bleachin' your teeth, smiling flash

B
Talking trash, under my window

[Instrumental] **A / E / x8**

[Chorus 1] **x13** [build in intensity]

A
Park that car, drop that phone

B
Sleep on the floor, dream about me

[Chorus 2] **x5**

A
Park that car, drop that phone

B
Park that car, drop that phone

[Instrumental] **A / E / x2**

[Outro]

A
Used to be the one of the rotten ones

E

And I liked you for that

A
Now you're all gone, got your makeup on

E

And you're not coming back
