

Don't Think Twice, It's All Right - Bob Dylan // 1963 // key: E

Intro: | E - B | C#m - A | E - B | E |

1. Well, it ain't no use to sit and wonder why, babe, if'n you don't know by now
An' it ain't no use to sit and wonder why, babe, it'll never do somehow
When your rooster crows at the break of dawn, look out your window and I'll be gone
You're the reason I'm a-trav'lin' on, but don't think twice, it's all right

Interlude: | E - B | C#m | A | E |

2. And it ain't no use in a-turnin' on your light, babe, the light I never knowed
An' it ain't no use in turnin' on your light, babe, I'm on the dark side of the road
But I wish there was somethin' you would do or say, to try and make me change my mind and stay
We never did too much talkin' anyway, don't think twice, it's all right

Interlude: | E - B | C#m | A | E |

3. No, it ain't no use in callin' out my name, gal, like you never done before
And it ain't no use in callin' out my name, gal, I can't hear you anymore
I'm a-thinkin' and a-wond'rin' walkin' down the road, I once loved a woman, a child I am told
I gave her my heart but she wanted my soul, don't think twice, it's all right

Interlude: | E - B | C#m | A | E |

4. So looo-ooong, honey babe, where I'm bound, I can't tell
But goodbye's too good a word, babe, so I'll just say fare thee well
I ain't sayin' you treated me unkind, you could have done better but I don't mind
You just kinda wasted my precious time, don't think twice, it's all right
